THE COMMISSIONED INITIATIVE

DEVELOPMENT OF A CHURCH PLANTING & DISCIPLESHIP INSTITUTE

Consider an innovative Church Planning and Discipleship Institute that equips thousands of pastors with essential theological knowledge and practical skills, enabling them to fulfill the Great Commission in their regions. The vision is to develop a global institute, have online modules, and a specific track for church planting and discipleship.

ORPHAN PREVENTION PROGRAM

This local church-centric program would enable the organization's remote churches to faithfully step into the biblical mandate to care for widows and orphans by establishing feeding programs to serve the most vulnerable in their communities.

ADDITION OF A FULL-TIME DEVELOPMENT OFFICER

Imagine the profound financial growth possible with the addition of a full-time development officer dedicated to raising sustainable funds for current needs, future initiatives, and the ministry's endowment.

GLOBAL MINISTRY EXPANSION

Envision a transformative partnership in Africa dedicated to training and empowering local pastors who are passionate about reaching the 6.2 million unreached individuals in their communities. Or picture small teams bravely venturing into the most uncharted regions of Southeast Asia to share the gospel with those who have never heard the name of Jesus. After the team's departure, a committed ministry partner steps in to nurture relationships with those seeking to learn more.

CI HEADQUARTERS RENOVATION

Visualize a revitalized headquarters capable of hosting board meetings and effectively sharing the inspiring story of Commissioned International with current and prospective donors.

TEAM TRANSPORTATION AND TECHNOLOGY UPGRADES

Two significant needs across all countries are better transportation and more advanced technology. Keeping team members safe while enhancing students' learning outcomes in our Christian schools remains a priority for the future growth of Commissioned International.

FUTURE MINISTRY OPPORTUNITIES

The possibilities before us are endless. Let's dream together about the significant kingdom impact Commissioned International can make for the glory of God and the good of others!

LIVES CHANGED AT YOUTH CAMP

One of the many ways God has used us is through ministering to the youth in Honduras. We witnessed the depth and urgency of youth ministry in Honduras. During leader training, Scott Newton listened as local leaders shared the realities their students face: addiction, gang influence, poverty, and loss, yet each carried a strong calling to reach them with the gospel. His testimony of walking closely with a young woman in crisis deeply resonated, reflecting the kind of life-on-life ministry these leaders are striving to build. That same week, Pastor Wilson brought five students to camp, and by the end of the week, through both camp and an outreach in Morocelí, seven young people had come to faith and begun discipleship. This is the impact: leaders investing personally, youth responding to the gospel, and local churches continuing the work.

“Therefore, if anyone is in Christ, the new creation has come: The old has gone, the new is here!” — 2 Corinthians 5:17

A NEW LIFE

In 2013, we met Rasmita in Asia when she was just four or five years old, working the streets to earn a few dollars a day. She lived in the slums, often injured, unable to attend school, and caring for her younger siblings after her father left. Her situation seemed hopeless.

Ten years later, her story is different. Through Seeds of Grace Children's Homes, Rasmita is now off the streets, living in a safe and loving home, and preparing to enter eighth grade. She has caught up in school, and her life reflects a hope and joy that only God could restore.

Names, photos, and locations have been changed to protect those involved.

THE MISSION CONTINUES...

As I reflect on this past year, I am filled with deep gratitude for God's faithfulness, the thousands of lives transformed by the power of the Gospel, and for each of you who has chosen to walk alongside us in this mission. Our calling remains clear: **to evangelize the lost, disciple the saved, and minister to the needs of the vulnerable.**

What we are witnessing is not the result of great strategy, but the evidence of a great God whose hand is upon this work. Across communities, villages, and nations, the Gospel is being proclaimed, pastors are being trained, disciples are being raised, and churches are being established. Tangible needs are being met with compassion and dignity.

We have the privilege of providing Christian education to hundreds of children, but it is more than education; it is a platform for lifelong discipleship. We also have the sacred responsibility to bridge the gap for those who have been forgotten, abandoned, and neglected, offering not only care but also hope and restoration. We are confident that every number in this report represents a name. Every statistic tells a story. Every story points to a life forever changed by Jesus Christ.

I firmly believe this is the Lord's ministry. Yet, in His grace, He has entrusted it to us to steward faithfully for His glory. Your generosity, your prayers, and your partnership are not just supporting this mission; they are advancing it.

2025 has been remarkable, but we step into 2026 with even greater conviction. We are not simply aiming to reach more. We are committed to going deeper. To build stronger churches. To develop world-class leaders. To establish sustainable, multiplying ministries that will impact generations to come.

The mission is clear. The calling is great. Life is short. Let's stay faithful. Thank you for being part of this story. It is an honor to labor together for the sake of the Gospel.

Till the Nations Worship,

Timmy Ruhnke

Commissioned International President
