# 2024 IN REVIEW

## 2024 A YEAR OF CELEBRATION

2024 was a historic year in the life of our organization. We celebrated and honored our 50-year legacy as Baptist Medical and Dental Mission International through six Regional Conferences, a 50th Anniversary Celebration in Honduras, and a virtual global Vision Night.

For 50 years, we have been blessed with the opportunity to evangelize the lost, disciple the saved, and minister to the needs of the poor. As an organization, we have sent over 1,700 teams and over 55,000 team members. Because of this, close to 300,000 lives have been impacted with more than 268,000 professions of faith. To God be the glory.

We look back on 2024 with so much gratitude for our supporters, partners, and community behind each and every moment of impact and reason to celebrate. Thank you for joining us and playing a role in our mission. You help make the impossible possible.

Till the Nations Worship,

A handwritten signature in black ink that reads 'Timmy Ruhnke'.

Timmy Ruhnke

Commissioned International President

## BY COUNTRY

## BY MINISTRY

# CHURCH GROWTH PARTNERSHIP

## PURPOSE

A Church Growth Partnership is between a church in the United States and an indigenous church in Central America facilitated by Commissioned International. While the U.S. church strengthens their global mission efforts, the indigenous church is strengthened to be salt and light in their communities. Our role is to facilitate this mutually edifying partnership between both churches.

## GOALS

The ultimate goal for this initiative is to grow and strengthen both churches, multiply disciples, and expand church planting to fulfill The Great Commission. Expounding on this idea, our goals are:

- To see spiritual formation at all levels and with all involved, as well as the numerical growth of the church where God allows
- To provide a sustainable solution to chronic problems and focus on moving from relief-style aid to achieving development within a community
- To walk alongside indigenous churches and help them be self-sustaining in their context, as they grow into ministry hubs for their communities and a light to the world.
- To bring these three groups together to foster a relationship of trust to achieve long-term success

# GLOBAL DISCIPLESHIP AND CHURCH PLANTING INSTITUTE

## PURPOSE

Equipping pastors with theological education and practical skills to fulfill The Great Commission is at the core of who we are. We firmly believe the health and impact of an indigenous church are directly connected to the passion and training its pastor receives. Moving forward, we have a vision to expand the ongoing ministries of our bible institutes.

## GOALS

The goal is to develop a Global Discipleship and Church Planting Institute with multiple training tracks in the various countries that we serve. Our intent is to equip men with a theological foundation to teach God's word and the strategies to establish self-sustaining indigenous churches.

# THE COMMISSIONED INITIATIVE

## PURPOSE

In Fall 2025, we will launch The Commissioned Initiative, a fundraising initiative to provide the resources to shape the future of Commissioned International. God has provided for every need we have had through the sacrificial generosity of donors. We believe that the stage is set to step into the future that God has in store for Commissioned International.

## GOALS

This initiative aims to raise \$400,000 annually for the next three years, totaling \$1.2 million. These funds will be used for various purposes, including developing a Global Discipleship and Church Planting Institute, expanding our ministry into other countries, orphan prevention programs, and necessary renovations to our headquarters.

## THE MISSION CONTINUES...

As we step into 2025, our eyes are fixed on Jesus and our calling to fulfill The Great Commission. We are unapologetically committed to evangelizing the lost, discipling the saved, and ministering to the needs of the poor.

The next 50 years of our ministry will continue this mission and continue telling the story of God's faithfulness. We are still an organization filled with ordinary people being faithful to an extraordinary God. As we look ahead to the next 50 years and beyond, it is imperative that we build upon the foundation God has already set, while more clearly communicating who we are as an organization as Commissioned International.

What remains true to our core is that we are part of God's mission, and as part of His mission, we have been commissioned to take the gospel to the ends of the earth. As we embark on the future that God has for us as an organization, we will stay submitted to the Lordship of Jesus and steward all that God has entrusted to us. To God be the glory.

## THE MISSION CONTINUES...
